Pharmacist License Management System

ABOUT PHARMACIST LICENSE MANAGEMENT SYSTEM

The Pharmacy education and profession in India upto graduate level is regulated by the Pharmacy Council of India is a statutory body governed by the provisions of the Pharmacy Act, 1948 passed by the Parliament to achieve following main objectives:

- Regulation of the Pharmacy Education in the Country for the purpose of registration as a pharmacist Under the Pharmacy Act.
- Regulation of Profession and Practice of Pharmacy.

State Pharmacy Council (SPC) is a statutory body constituted by the state government to act as state Nodal body for implementation of the requirements of Pharmacy Act.

NetCreativeMind's Pharmacist License Management System provides and integrated platform for smooth management of the existing working of the State Pharmach Council.

CITIZENS CONCERNS

- Cumbersome Process Leading to Time Loss, Monetary Loss and Frustration
- Inappropriate Management of Records Results in Data Loss, Delay in Finding Relevant Records   etc
- Time Consuming
- Costly
- Requires Travel for People Living outside Bhopal
- Lacks transparency

GOVERNMENT CONCERNS

- Loss of records because of limited life of existing records management system
- Costly because of re-entry of records by department staff, time investment in searching Relevant record file and in-person interaction with citizens.

- Lacks transparency which causes corruption at ground level
- Loss of natural resources like fuel in travelling
